Carol,

Attached please find the Naval Facilities Engineering Command (NAVFAC) contractor's drilling schedule, updated in 11-2014, that you have requested. I have also attached an appropriate site figure to assist you in establishing their locations. Please call direct should you require further information.

Thanks,

Steve

Hi Steve - Do you have a recent schedule from the Navy showing when they anticipate installing the next VPBs and monitoring wells, especially those in the vicinity of BWD #6?

Thanks,  
-Carol-
